A specific color like a single student maintains its identity when considered individually.

This individualism is an important asset to the student at East High School, yet . . .

like the blending of colors to form new shades, the student combines his interests with others to create the myriad of student life activities.

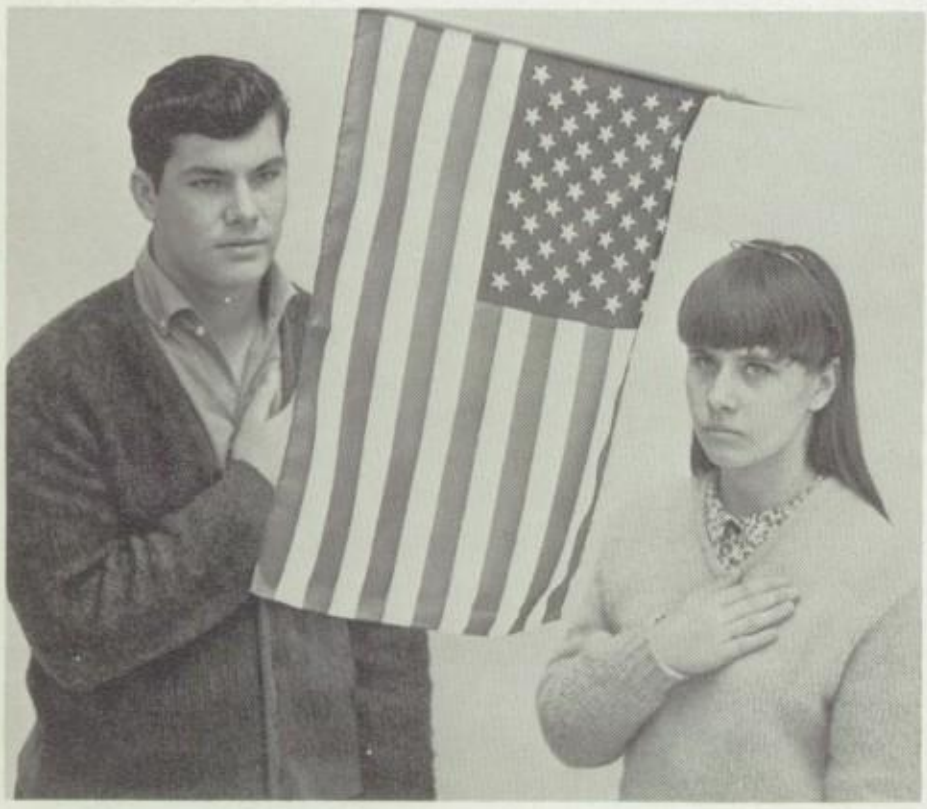
STOP

Student life is a unique combination of many activities — Academic — Athletic — Service — and every day events.

Freshman orientation provided many surprises.



We pledged our allegiance.

Hang the Redcoats.

Rush to lunch — daily ritual.

Freshmen learned rules and roles for participation. Our loyalty was strong for country and school. East's clean and spacious campus was a source of pride. Concern for others in the community has always played an important role for the Longhorns.

Christmas spirit was high at East.

Our first Homecoming brought back memories.
Performing groups weren't limited
to campus appearances. An aura of fun
permeated initiations. The pranks

North Central Association Evaluates And Praises East High Programs

The Board of Education and Superintendent, Howard C. Seymour, have responsibility for the operation of 10 units in the Phoenix Union High School System. East High received its North Central evaluation and accreditation in 1966.

The challenge of the operation of the wide program areas at East High lies with its experienced administrative staff led by Associate Principal, Robert D. Blackman and Administrative Assistants, W. P. Davis and Mrs. Lucene Billing.

Individual Emphasis Opens New Gateways In English

The English program at East High is varied and comprehensive; students are given the opportunity to improve their reading and writing skills as well as developing a good literary background. The material taught differs from grade level to grade level, keeping in mind the abilities and limitations of the individual students. The English program has proven to be of great help to each and every student.

Teachers in East High's English Department are continually striving to improve teaching methods. This year, again, there was a team teaching program. The emphasis on the individual has brought about a program of independent study with more than 100 students participating. The program ranges from slow and regular learners to advanced and independent study.

Effective Thought And Keen Perception Keys In The Social Studies

The social studies department helps to guide students to become better citizens through study in geography, government, and economics as they are seen historically reflected against the present. They also promote effective thought rather than a mere regurgitation of facts.

Interest in and appreciation of the social sciences is encouraged through the use of guest speakers. First hand knowledge allows for deeper perception as the students learn to face the important economic and sociological problems that lie ahead.

Electronics, Full Curricula Feature Foreign Language

East High School has a full four-year program in Spanish and French, and a three-year curriculum in German. Spanish classes now feature the Electronic Futures Incorporated System as a portable language lab, one of only two in Arizona. In curricula and instructors, East is among the best in Arizona.

Longhorns Find Math Of Vital Importance For Present Day And In Future Problems

Mathematics has played an important part in the past and it will continue to do so in the future. With this emphasis on more math, East High introduces different learning levels. A person can start out with General Math and excel to Introductory Analysis. The student, regardless of whether he has a high or low aptitude for the subject, will benefit.

Exploration, Understanding Goals For Complete Science Curricula

To give the student a basic background and appreciation of all phases of science is the goal of the science department. With the goal of more exploration and understanding, science is a most important field.

The six-man science department offers stimulating classes in each of five courses. The five courses consisting of earth science, biology, chemistry, physics, and science seminar prepares students for the future.

Urbanized Living Causes Emphasis On Health, Fitness

Today's highly urbanized living makes it increasingly important to have a strong physical fitness program in the schools. The physical education department strives to develop coordination, dexterity, good sportsmanship, and to build a sound body.

Each P.E. class has a variety of activities during the year. Boys participated in basketball, wrestling, gymnastics, and purposeful exercises. Girls were offered modern dance, productions as well as regular P. E. sports programs.

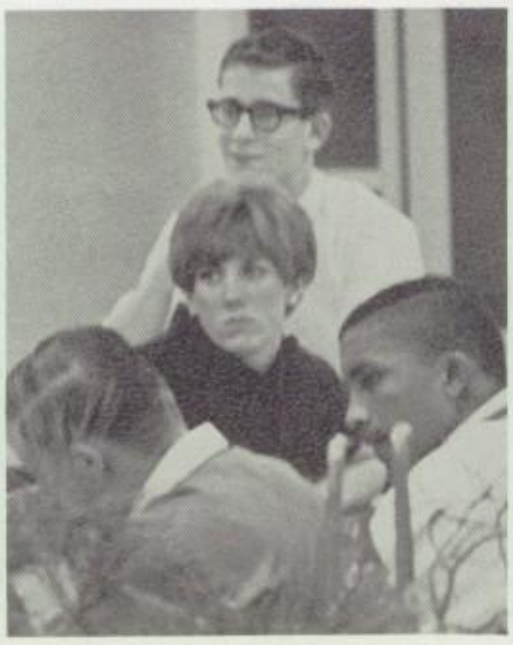
Government



Heller Leads Effective Student Body Officers

Elected from the graduating class, the Student Body Officers are four of the hardest working members of the Student Body. Their jobs include presiding over the Executive Committee and the Senate, regulating committees and student functions such as the Inter-Club Council, and representing the students of East High at District and State Student Council Conventions.

The United States Military Academy selects only those young men who have excelled in the qualities of leadership, scholarship, and character. Our Student Body President, MIKE HELLER, was appointed to West Point. A four year honor student, a member of the wrestling squad and District Student Council, Mike has proven outstanding in these areas again and again.

Corresponding Secretary-Treasurer KAREN BUFKA was in charge of student body correspondence and kept records of the Student Body funds. Karen was a Girl's State representative, a four year honor student, won the Betty Crocker Homemaker Award, and was co-captain of the Varsity Cheer Line.

KATHYE LOMELI's duties as Recording Secretary included recording minutes at Executive Committee and Senate meetings, keeping files, and assisting with school correspondence. Kathye was also captain of the Varsity Cheer Line, a Girl's State representative, and was elected Senior Homecoming attendant.

KAREN ENGLAND's major duty as Vice President was presiding over the Inter-Club Council. She was a District Student Council representative and assisted President Mike Heller by presiding over the Executive Committee, Senate and assemblies in his absence. Karen is also president of the Art Club.

Strong Executive Council Provides Active Program

The Executive Committee, composed of the four student body officers and the four class presidents, served the school by organizing student activities, presiding over the Student Senate, planning special service projects, and aiding administrators in school problems. Members of the Executive Committee represented East at District and State Student Council programs.

Promoting clean-up campaigns, sponsoring charity drives, planning school dances, building school spirit, and obtaining a juke box for the student cafeteria kept the members busily engaged all year. The most outstanding accomplishment was the selection of the Longhorn Victory Flag, chosen by the student body from designs submitted to the Executive Committee.

Student Government Advisor Larry Kelly and Senior Class President Doug Christian express their pleasure over a successful year.

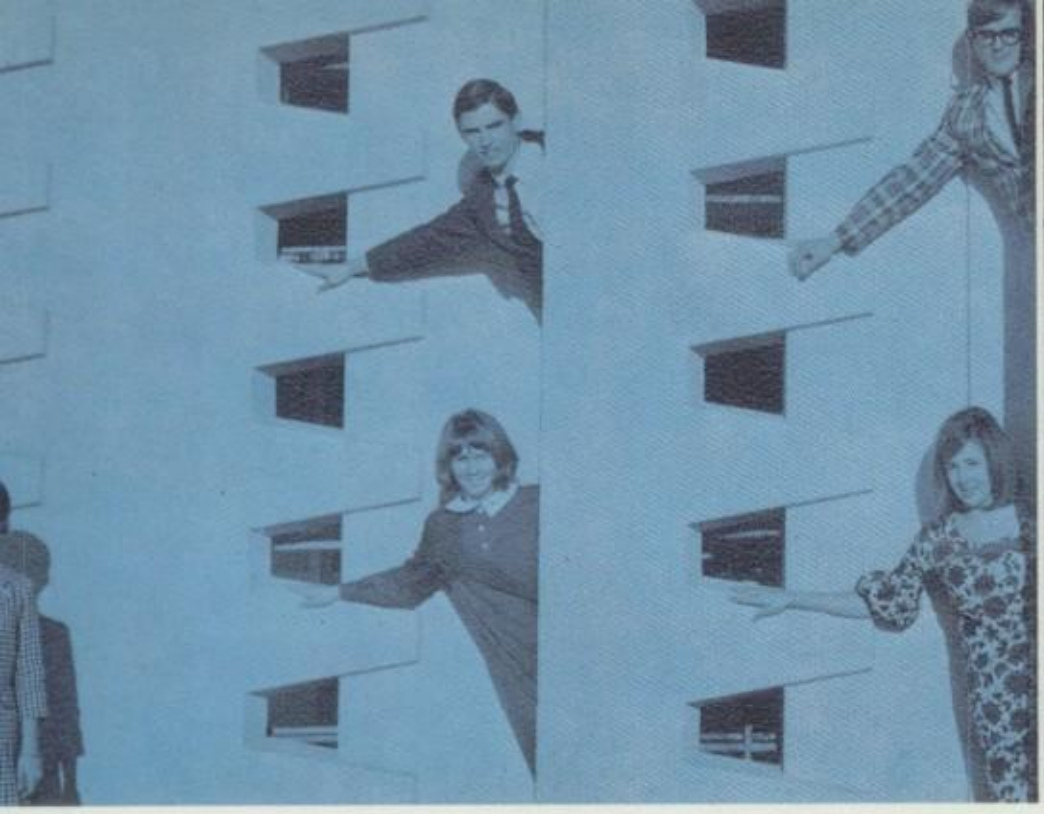
Senate Keeps Close Student Ties As All Measures Are Considered

Student Senators representing the four classes, Girls' League, and the Speech Arts, Music, Publications, and Athletic departments met every two weeks to discuss problems presented to them by the Administration and Executive Committee. Constant communication with students was maintained through regular visitation to classes by various senators.

Senate business is serious business as demonstrated by David Saliba, Carla Anderson, Ruth Stevenson and Karen England at a regular meeting.

The four class presidents also hold Senate seats. **From top to bottom,** they include Senior Doug Christian, Junior Mike Heckman, Sophomore Richard Avery and Freshman Ron Lomeli.



Girls League President Paula Bixler (left) was a Senator for 1966-67 and was joined by Sophomore Senators Jim Younger and Jean King (center) and David Axton and Jan Beasley.

Freshman Senators included Ed Flores and Val Anderson, (left) Mark Beasley and Cristy Harris. Publications Senator Jean Joiner and Speech Arts Senator Helen Marvin are at the right.

Student Body President Mike Heller, Vice President Karen England, Recording Secretary Kathye Lomeli, and Corresponding Secretary-Treasurer Karen Bufka held Senate seats.

Major Parts Of Senate Agenda Researched At Committee Level

CLASS COMPETITION COMMITTEE established traditions for spirit building activity among the four classes.

Homecoming chairman Ruth Stevenson received roses from Mike Heller.

When things seem to move smoothly in student government, one can be sure committees are functioning properly.

Established by the Student Senate, the various committees made sure that each activity during the year was planned carefully and carried out to a successful completion. Few, if any, outstanding programs fell outside of the work area of these committees.

PUBLICITY COMMITTEE saw to it that each East High event went 'noticed' on all bulletin boards and walls.

CONSTITUTION COMMITTEE reviewed each club constitution and began work on revisions for student document.

ELECTIONS COMMITTEE worked long hours checking petitions and managing balloting for class, and student body elections during the school year.

SOCIAL COMMITTEE members were charged with setting up a strong program of activity.

Central Council Service Center

Central Council, composed of the officers of the Girls' League Class Councils, is the major body of Girls' League. Mrs. Billing was advisor this year.

Sponsoring the Christmas Prom was the major project of Central Council this year. Members also adopted a needy child, held an all-girl assembly, and presented a fashion show in which senior Girls' League members modeled clothes from Rhodes. Every girl in school becomes a member of Girls' League.

Royalty, Color Key Homecoming Success

"Broadway Hits," theme of East High's first Homecoming, aroused great enthusiasm in the weeks prior to the Canyon Del Oro-East game. Each class designed and built a float which carried out the theme. Competition was tough, but the Sophomores' "Annie Get Your Gun" was awarded first place. The highlight of the evening was the coronation. Reigning royalty was Pom Pon captain Laura Huff and Varsity gridder David Saliba. Attendants were: Kathye Lomeli, Cindy Beer, Janice Beasley, and Valerie Anderson. Homecoming Chairman was Ruth Stevenson.

Music at the Homecoming Dance was supplied by P-Nut Butter. The dance attracted more than 400 students and alumni.

Students worked to the last minute, adding finishing touches to floats.

Sports Dances 'In' At East High School

East's sports dances were a popular part of student life. Conducted after most football games, and some of the basketball games, attendance was high. A variety of bands performed at these dances, including P-Nut Butter and the Status Quo.

East's Forensics team added our first debate team this year. Aside from the fact the Forensics team is but two years old, East High was well represented in the American Legion Contest, A.I.A. District Convention and other meets.

Tony Klumpe and Doug Salzman, East's first debate team, won third place in debate at the A.I.A. Convention, East-Central District held at East.

Wrangler Carnival Grows In Numbers, Fun For Students

Fun! Fun! Fun! That was the atmosphere of East's 1966 Carnival. Various kinds of entertainment and refreshments were provided for all who attended. Each club participated with a booth of its choice. The booths ranged from the selling of Longhorn cheese and crackers to smashing your favorite president with eggs. This year the carnival had its own Spook House complete with Masque and Gavel spooks. The Carnival was sponsored by Wranglers and clubs on campus.

Karen Bufka and Kathye Lomeli seem to enjoy throwing eggs at their favorite presidents.

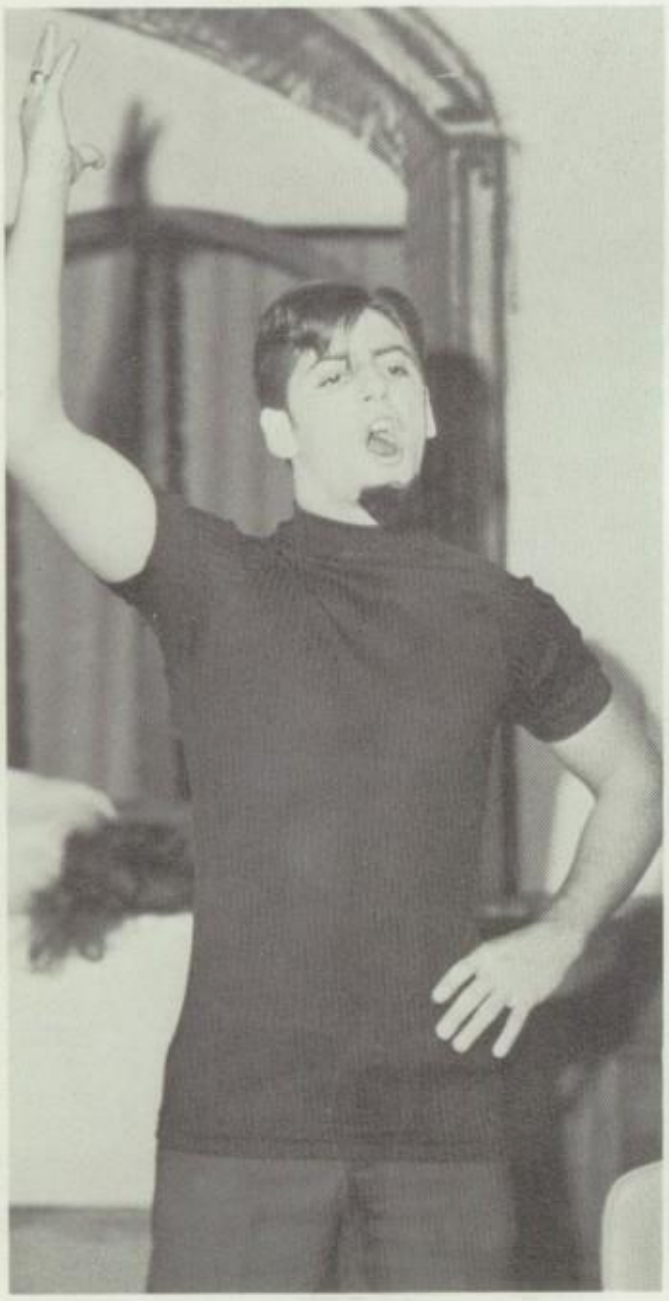
Appreciative Crowd Takes Fun With It At First Production

East High's first production given by the Drama Department was a hilarious comedy called You Can't Take It With You. The audience, largest to attend a non athletic East High activity, was fascinated by the excellent scenery and superb performance given by the actors.

Mrs. Marge Jones served as Director, Technical Director was Helen Marvin with Robert Valencia as Assistant to the Director. The comedy concerned the eccentricities of an old man and his family and their failure to pay their income taxes.

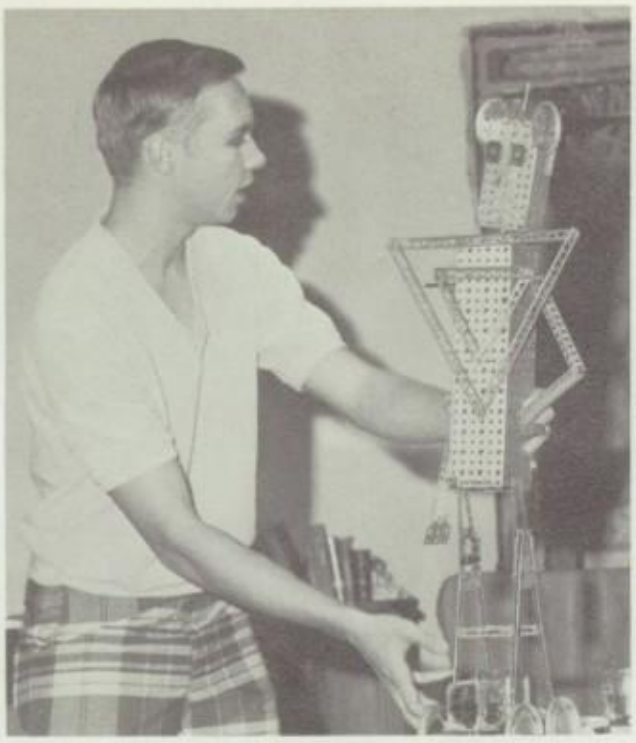
Phyllis Officer displays her versatility as Penelope Sycamore.

Marsha Hettich and Ed Hall played the romantic leads and delighted the crowd.



The part of the hot-tempered Russian ballet teacher was assumed by John Fiore.

Grandpa's (Joe Axton) expression switches from philosophy to prayer.



Steve Strauss portrayed Paul Sycamore, a middle-aged fire cracker manufacturer.

Shirley Mullins demonstrates her acting abilities as Gay Wellington.

Dan Frazier (Mr. De Pinna) mimics a statue made for the play by student Jim Cutbirth.

Wendy Gardeners (Mrs. Kirby) amazes Marsha Hettich (Alice) with a remark as Mr. Kirby (Bill Gates) listens.

Even teachers join in the spirit of Rodeo as proven by Mr. Patterson, Mrs. Roels and Mr. Youree.

Rodeo Day brings a variety of costumes and an even greater variety of hats and headwear.

Even though Rodeo Day comes in the warm springtime, many students wear the attractive chalecos.

It's a day for everyone to yell "Yahoooooo" and students join in the festivities of the day during lunch periods and during times prior to the big Rodeo Dance. Levis, western hats, riders, chaps and some of the most colorful outfits imaginable are the order of the day.

The full south wall of the student cafeteria spelled out the name of the Rodeo Dance held Thursday, March 16.

Barnyard Stomp Successful End For Annual Rodeo Day Doin's

The Barnyard Stomp proved to be one of the top dance attractions of the year as nearly 400 students jammed the cafeteria to dance to the music of the Kawsaks. Sponsored by the Girls Athletic Association, the stomp was the feature of Rodeo Day activities.

The crowning of the Rodeo King and Queen and the naming of student body officers for 1967-68 highlighted the evening. Carla Anderson and Carl Schwimmer were named to reign over the dance, while Jim Younger received news of his election as student body president for 1967-68.

Rodeo dancers who came dressed "Eastern" faced the possibility of "jail".

Hitchin' Hank's booth was a popular place as students took the "marriage" vow (left). The crowning of Queen Carla and King Carl (top center) was a feature. Emotions ran away with some with the announcement of the new student officers (top right). And, oh, yes, they did dance, though not Western.

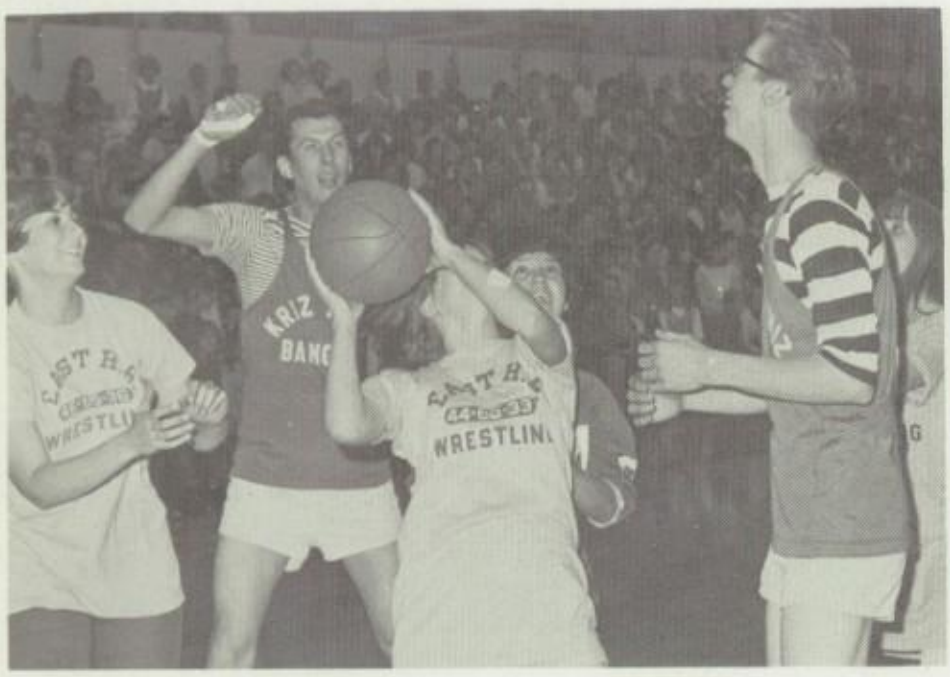
Wrangler Basketbrawl Draws Howls of Laughte

The Cheerleaders moved out to a 6-1 lead over the Whizbangs at the end of the opening quarter,, but the Pom Pon Line could do no better than a 4-4 tie in the second period. From there on it was chaos as the Wranglers blew the big lead and wound up on the short end of a 23-19 final score.

They named it a basketbrawl, and a brawl it was as nearly 1000 fans turned out to cheer on the East High Wranglers as they met the KRIZ Whizbangs on February 24. Preceeded by the Wallace and Ladmo Show, the game matched the East High pom and cheer lines against the radio and TV personalities in the first half.



"Shoot!" everybody shouts as the pom line played their quarter in the Basketbrawl.

Wrangler Mort Campbell looks serious here as he defenses an unidentified Whizbang.

Year's Effort Involved In Publishing 'Legend

Selma Hyman, Gayle Wong and Debby Steinhauser check the picture schedule for the club section of the book.

To find out what happened at East High during the 1966-67 school year, just look at the award-winning Legend. Starting work on the yearbook in May of 1966, part of the staff made tentative plans for page layouts, the theme and cover. During the summer, seven yearbook staff members went to Publications Workshop in Flagstaff to exchange ideas with other high school students interested in production of yearbooks. Staffers enrolled for editors seminars and classes in advanced yearbook and layout.

THE LEGEND STAFF for 1966-67 included: **(Front Row)** Mr. Bostrom, Debbie Janosik, Mabyn Bates, and Kathy Parker. **(Second Row)** Selma Hyman, Connie Crist, Gayle Wong, Nancy Hinchcliffe, Wendy Wong, Debbie Steinhauser, Cindy Beer. **(Third Row)** John Fiore, Nancy Bertino, Sherl Reed, Jean King, Val Brown, Mary Freeman, Sue White and Sharon Fiske. **(Back Row)** Todd Holtz, Jim Mooney, Pam Compton, Debby Scarlett, LeAnn Hagen, Bonnie Hauprich, Ruth Stevenson, Don Hogue and Mr. Cantor, student teacher.

Individual, Team Work Successful Combination

After training interested but inexperienced students in yearbook production, The Legend Staff completed the theme, cover, and individual assignments. Work began on separate sections of the book with each student responsible for his own page design, copy, and final production. After a year of hard work, the staff presented the Legend to the student body at the yearbook signing party.

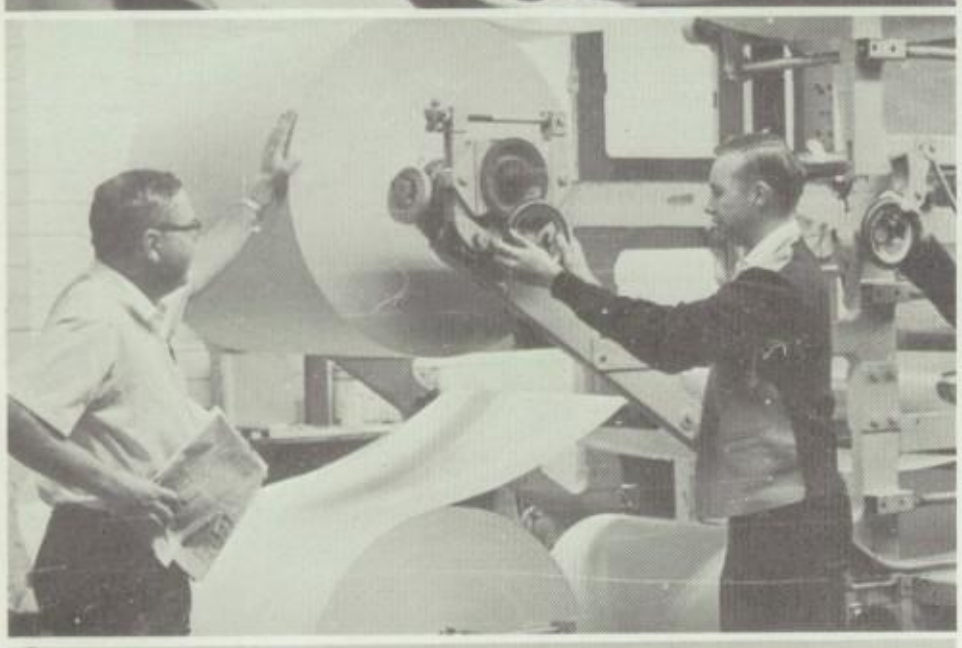
Photographers (from top) Jim Mooney, Don Hogue, and Todd Holtz handled the myriad of shooting, developing, and printing assignments handed them during the year.

Ruth Stevenson, Nancy Hinchcliffe, Debby Scarlett and Val Brown put the finishing touches on their layouts.

Copy writing and editing holds the attention of Jean King, John Fiore and Nancy Bertino working on sports.

'Rawhide' Staffers See 18 Issues Off Presses

Getting an award winning newspaper into print requires the coordinated efforts of many students. The efforts paid off this year for the Rawhide Gazette as it continued to gain state and national recognition. From the issuing of assignments, to the collecting of the necessary information and rewriting to copyreading and editing and finally sending copy to the printer, these knowledgeable and energetic journalists complete the cycle of producing an eight page newspaper 18 times a year.



From linotype through the work with the final negatives to checking the paper on the press and finally viewing the finished product, members of the Rawhide staff work at the Tempe Daily News plant before each issue.

Paula Bixler and Betty Barr work on typing copy as Sherry Meredith, Vic Pawlak and Margo Green make final checks on the stories.

Assistant Jim Johnson and head photographer Bruce Yates select negatives for the next issue of the Rawhide Gazette.

RAWHIDE GAZETTE staff members included: **(Front Row)** Betty Barr, Paula Bixlee, Gloria Harris, Sherry Meredith, Jeanne Joiner, Marsha Pesterfield, Chris Barba, Linda Robinson and Margo Green. **(Second Row)** Jim Ferguson, Mickey Sampley, Jerry Barr, Steve Strauss, Vic Pawlak and Larry Ravers. **(Back Row)** Student Teacher Laura Burg, Don Belen, Rob Castro, Butch Harter, Bruce Yates, and Mr. Coffroth.

Myriad Of Jobs Needed To Produce Top Paper

Photography, layout, headline writing and editing are also major tasks in producing a bi-weekly newspaper. An experienced staff of juniors and seniors takes a personal interest in seeing that the mechanics of the Rawhide are kept at a high level. A staff of four photographers is kept busy catching all phases of school life. The work of layout design, headline writing and copy-reading was carried on at school and then checked and finalized at the print shop.

Circulation Manager Don Belen handled the rigorous job of making sure that all classrooms were covered on sales days.

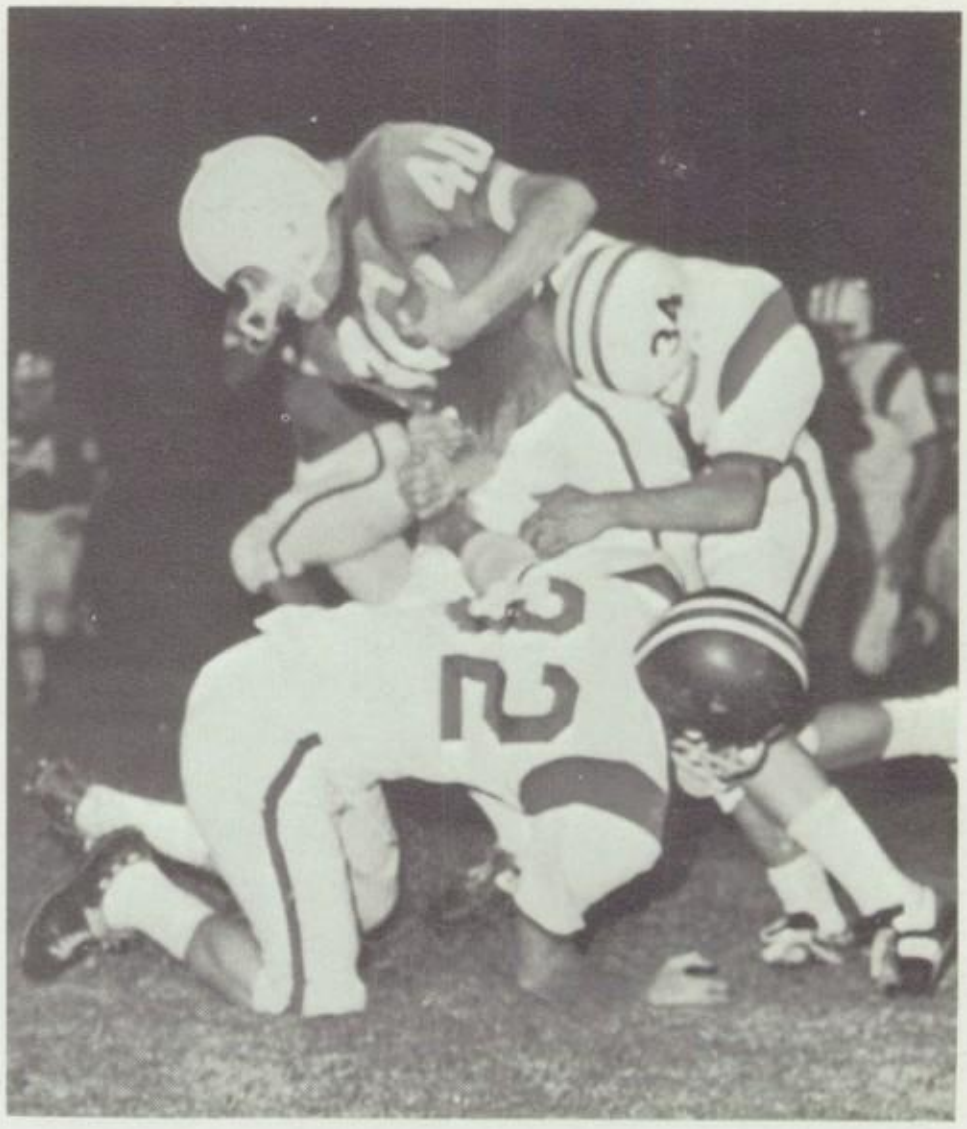
Steers Claim State Laurels With 8–1 Football Record

Down! Set! Hut one, hut two, hut three, and away go the Longhorns for the state independent championship. Led by the running of Dennis Budmon and Mark Chronister and the passing of Jim Younger, Coach Gene Cox's East High gridders opened the 1966 season bombing Paradise Valley and followed with a close win over Saguaro of Scottsdale. Powerhouse Peoria dealt the Longhorns their only loss of the year in the first away game, but East came back to plow under Bourgade in their next contest. Canyon del Oro, found the Steers too strong in East's first homecoming tilt, and Judson suffered a 41-0 loss as the Longhorns ran their record to five victories and one loss. Upset-minded Gerard took it on the chin next and Phoenix Christian was victim number seven before the TV cameras. With the state independent title on the line, Coach Cox's charges swept past Saguaro in a re-match.



Ed Hall barrels through two defensive tacklers on his way for an eight yard gain.

There's a ball loose somewhere as Mike Zimmerman, Roy Hodges, and Carl Anderson search for it.

Younger Leads Longhorns Over Saguaro, Trojans

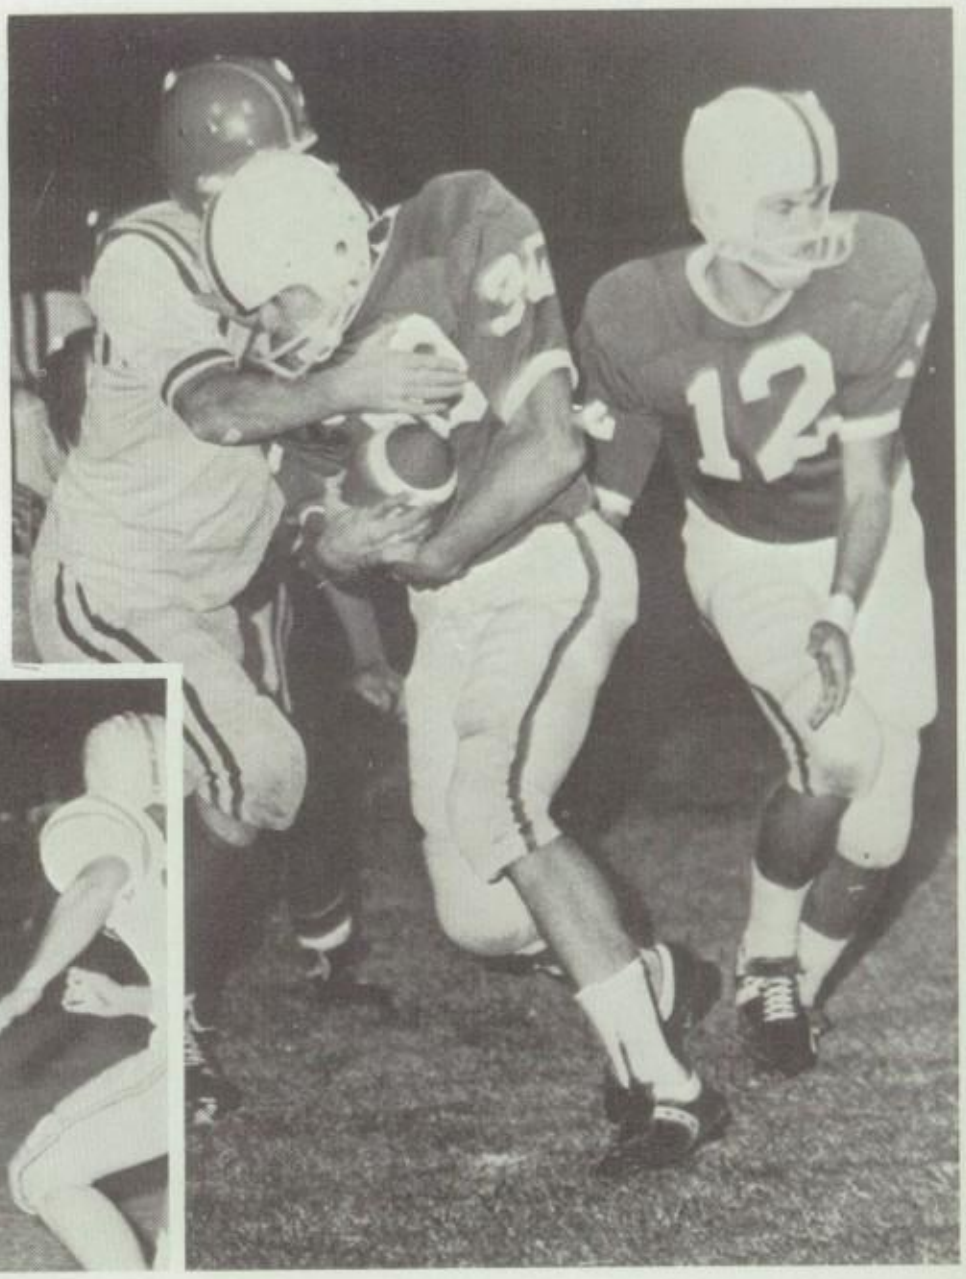
East High opened its '66 campaign with a 34-13 victory over Paradise Valley which highlighted the passing of Jim Younger. Younger hit George Poteet in the opening period and completed eight of 14 passes for 141 yards and four touchdowns during the game. Sophomore Gary Dryzmala passed to Younger for 76 yards and the final score in the fourth quarter.

Showing sluggish offense, but tough defense, the Longhorns scored in the second and third periods to drop Saguaro, 14-6. Gary Doran capped a long march with a two yard plunge to open the scoring and a quick Younger to Roy Hodges pass provided the second tally.

Peoria Hands East 25-13 Loss With Big First Half

East High's usually stubborn defense fell apart in the first half against Peoria and the Panthers put 25 points on the scoreboard to hand the Longhorns a 25-13 set back. Peoria went scoreless in the final two periods and the Steers couldn't make up the difference.

Mark Chronister dashes for an open spot against Phoenix Christian and picks up long yardage.



Jim Johnson takes a handoff from Jim Younger and side steps a determined Gerard tackler.

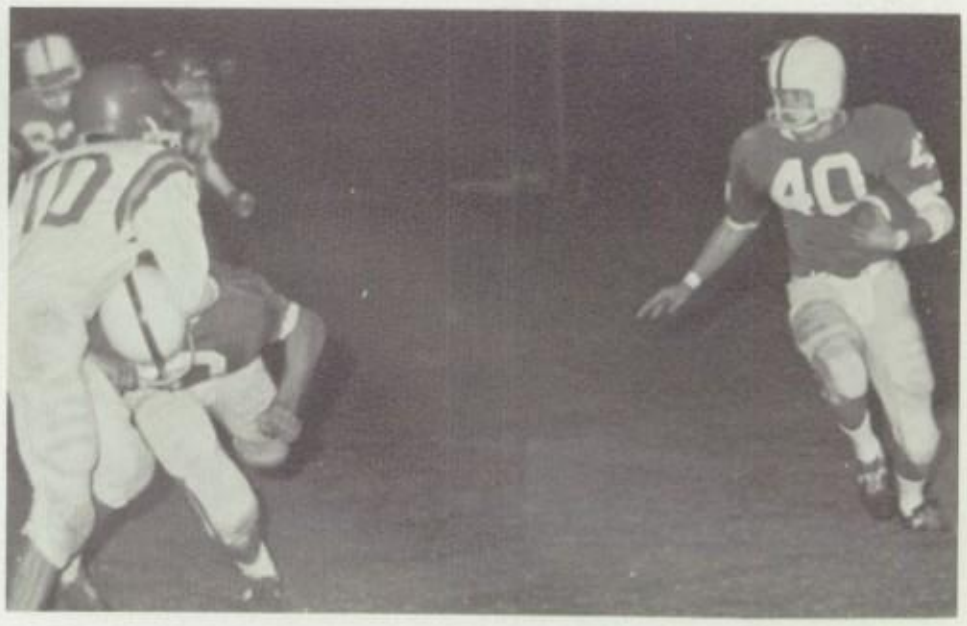
Fast Defense Stops Angels; Draws Plaudits All Year

The Longhorns knocked Bourgade's Blue Angels out of the sky as they rocketed to a 25-6 win over the cross-town rivals. Mike Zimmerman blocked four punts and made eight unassisted tackles while Tom Vermillion, Paul Bixler and Ron Sharp clogged up the middle as East held the Angels to less than 70 yards in total offense.



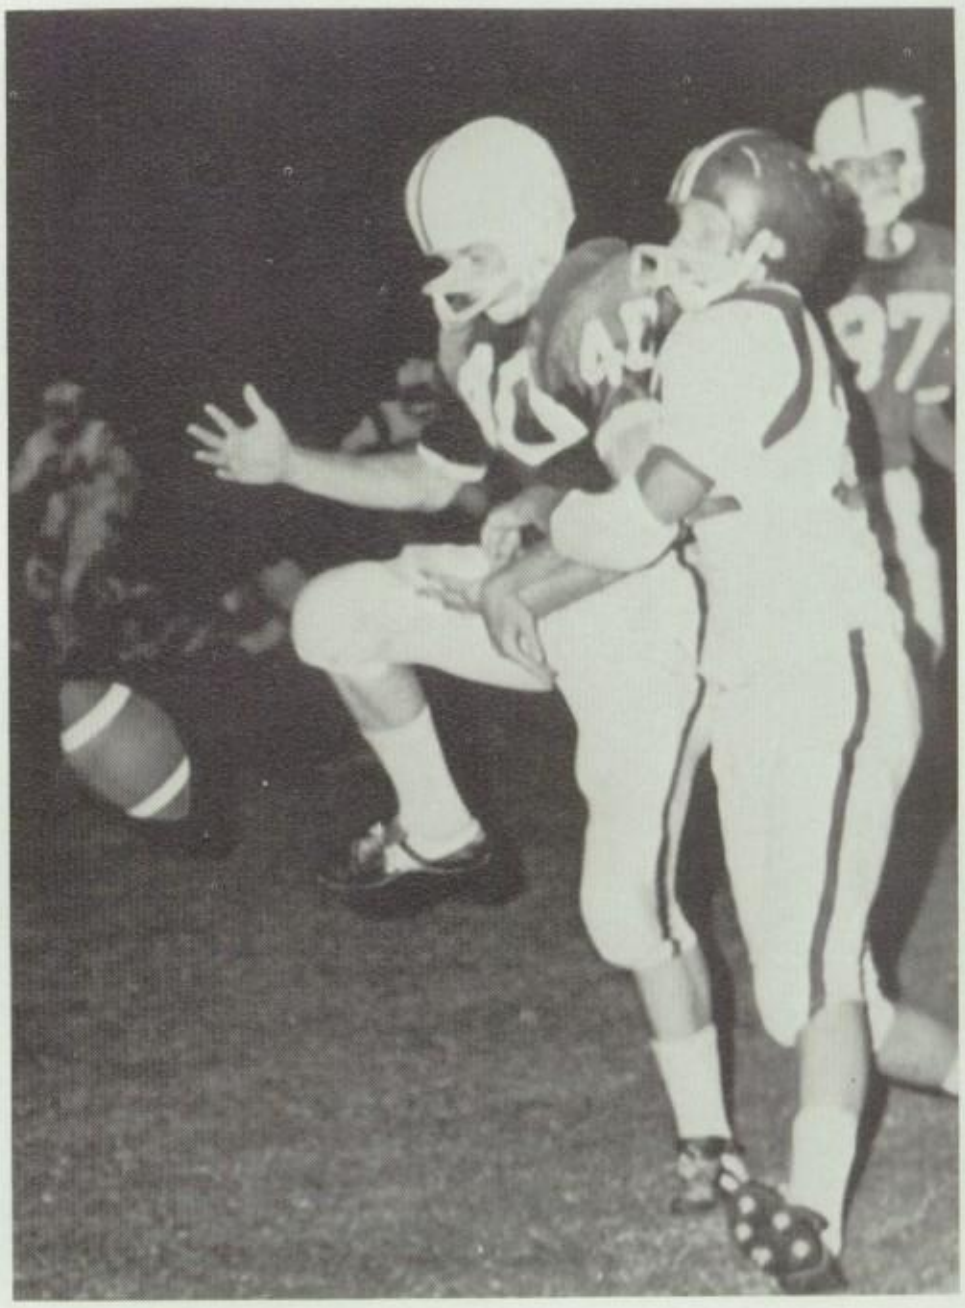
Quarterback Jim Younger gets plenty of protection as he sets to pass down the middle against Gerard.

Mike Zimmerman grabs a 42 yard TD pass against Saguaro.

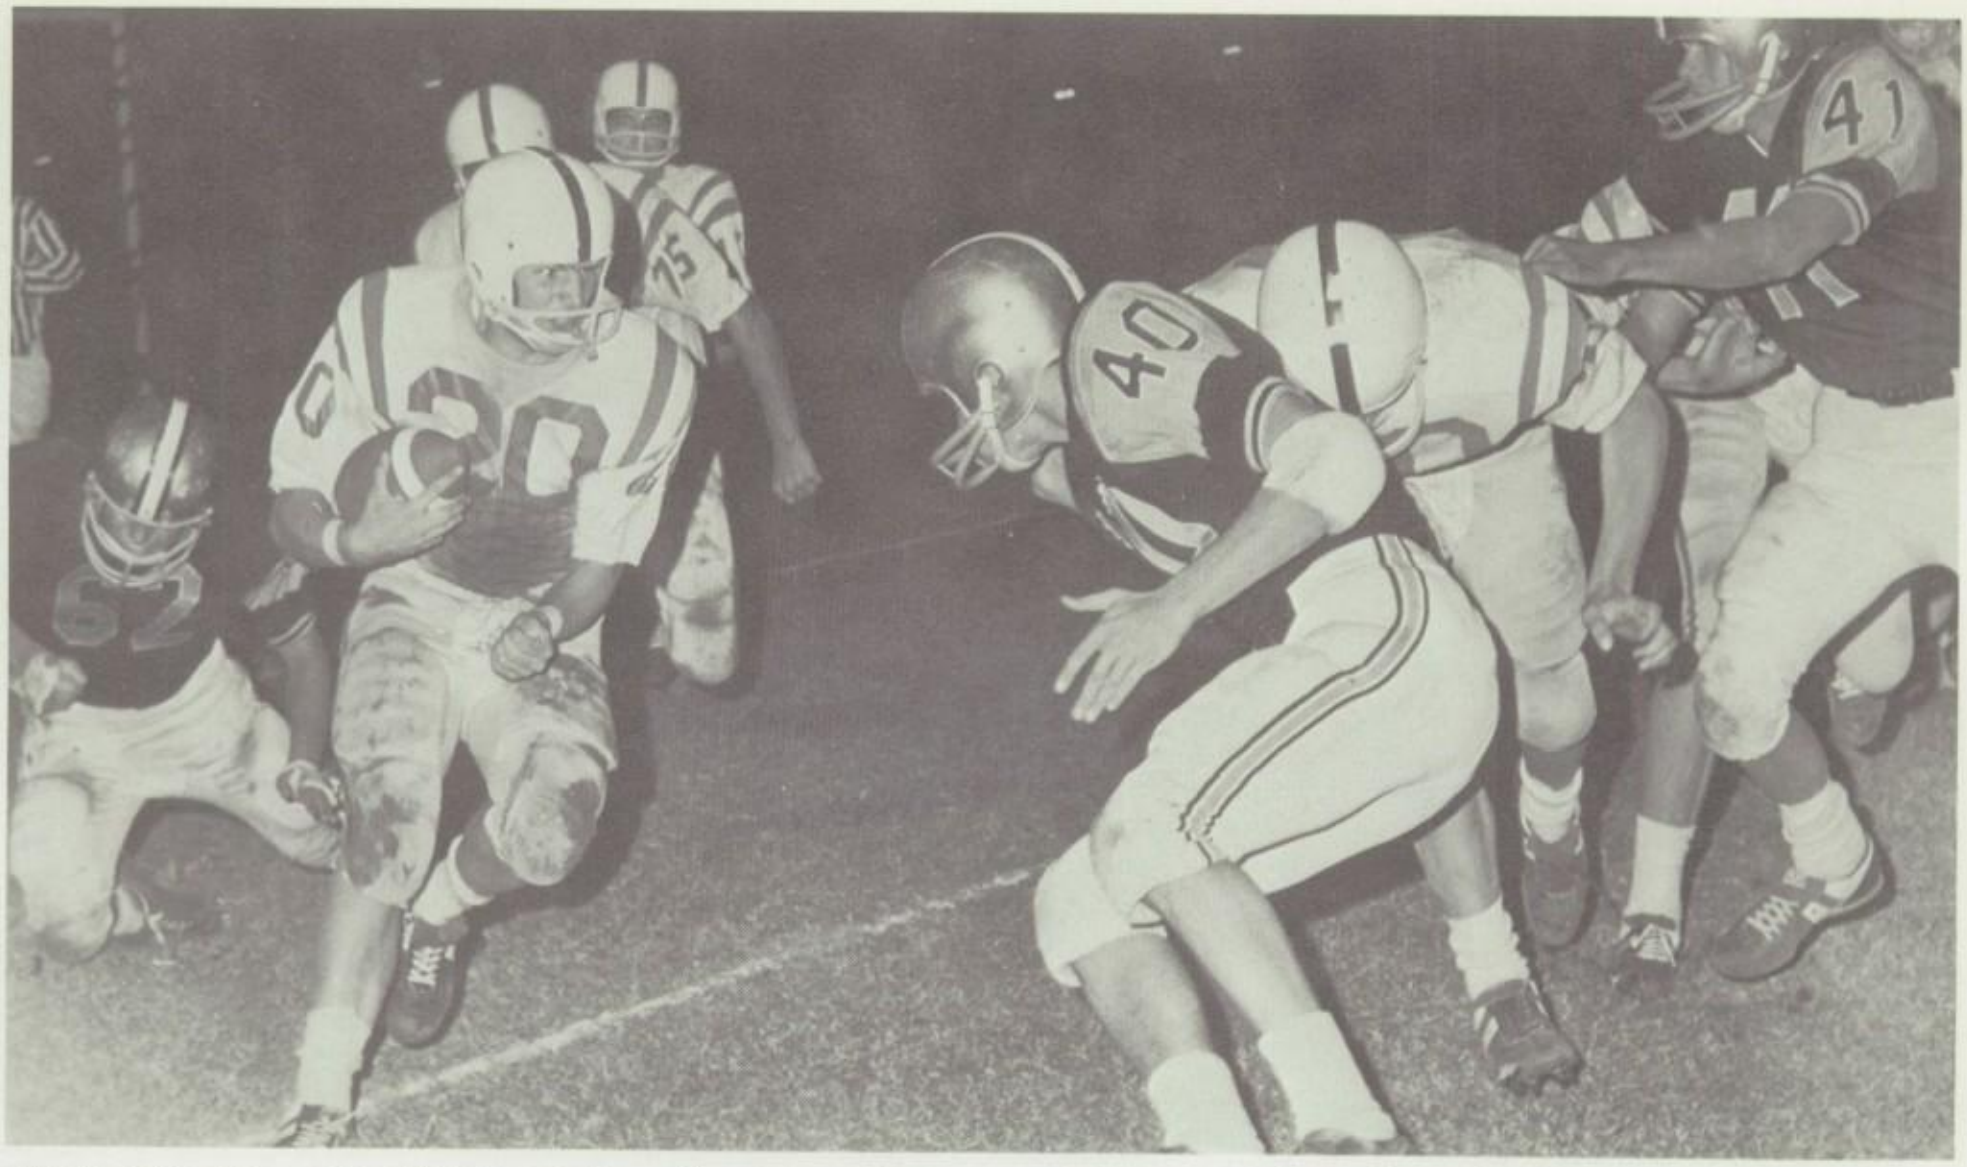
'Horns Tarnish "del Oro"

Homecoming brought with it East High's first grads returning to the campus and the Canyon Del Oro Dorados touted grid eleven from Tucson. Dennis Budmon scored two TD's and netted 171 yards total offense against the Dorados to lead the Longhorns to a 26-19 victory. Ed Hall picked up the other two scoring thrusts for East.

Ed Hall loses his balance as he skirts the right side on a 25 yard gallop.



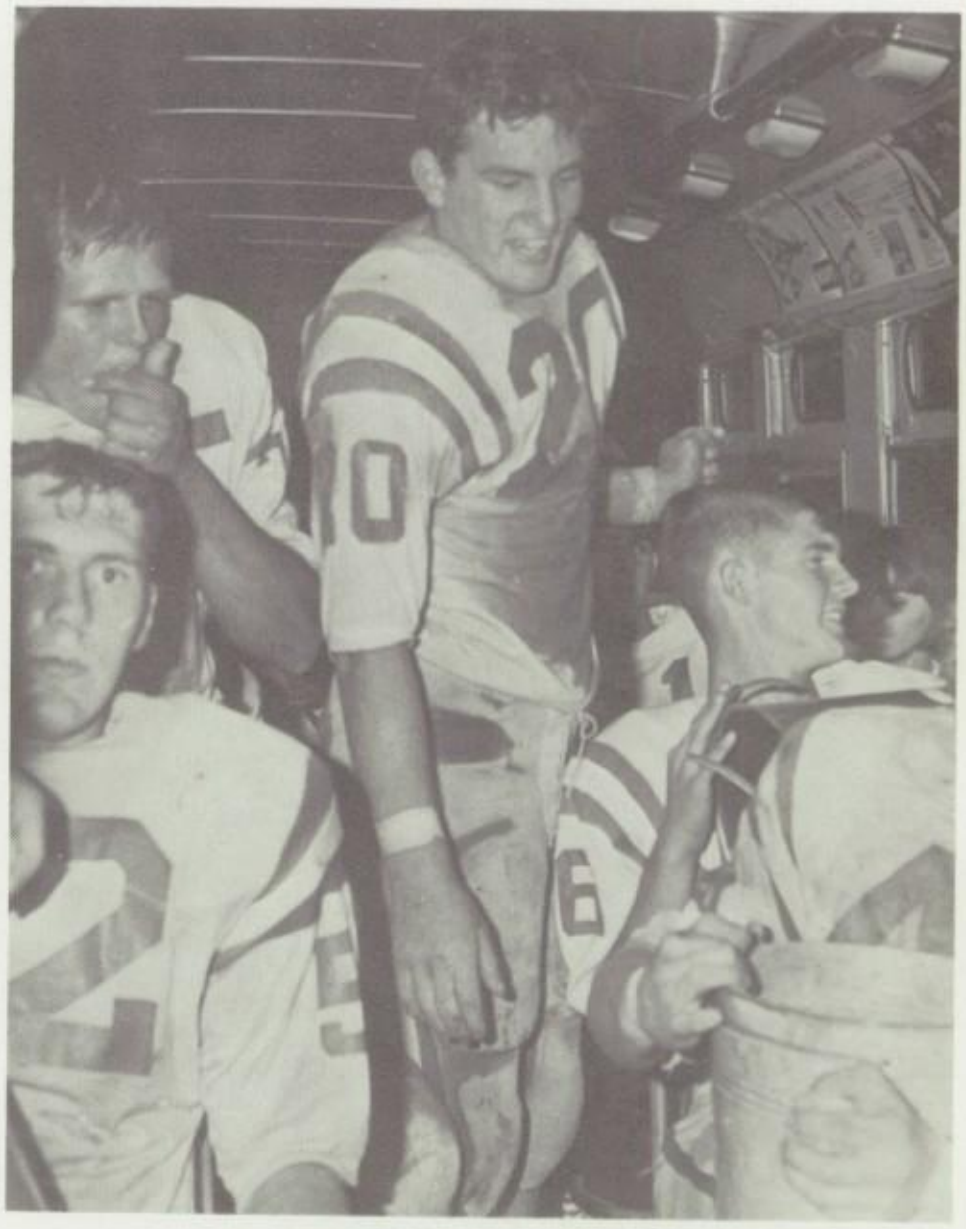
It's Hall again, but this time a pass gets away with some help from the defender.



Mark Chronister, himself injured in mid-season action, sparked the Longhorn offense against Saguaro in the re-match for the independent title. The senior halfback opened the scoring with a three yard dive.

Gerard, TV Audience, Cats See Steers Dash To Title

Sweeping their last six opponents off their feet, the Longhorns insured their claim to the mythical state independent title. The Steers rocked Judson, 41-0, as East's driving offense and crushing defense found little competition. A 37-13 victory over Phoenix Christian was televised over KPHO-TV and found Dennis Budmon named "Player of the Week" in Phoenix. An expected tight battle with Gerard turned into a 26-13 Longhorn run-away as Mark Chronister led the way with 71 yards rushing. In the battle for first place among the independents, East routed Saguaro, 27-7, in a re-match. Chronister and Mike Zimmerman picked up first quarter TD's and Ed Hall closed out the season's scoring with a 60 yard touchdown dash.



It was a happy busload of Longhorns who traveled home after the Saguaro victory. Identifiable players are Bixler, Bruning, Chronister, Budmon, Kalember and Hall.

Junior Varsity Grabs Six, Loses Three In Top Year

A winning season? Few would have predicted it as the Longhorn junior varsity opened its 1966 football campaign with three straight losses. After feeling defeat at the hands of Saguaro, Peoria, and Arcadia, it was all East High as the Li'l Longhorns romped over six straight opponents. Bourgade, Paradise Valley and Judson failed to score against East while the Steers dropped Gerard, Phoenix Christian and a 21-6 revenge win over Saguaro.

Freshman football suffered through a disastrous season in 1966 with the two teams totalling five wins, a forfeit victory, and a tie in 16 scheduled games. Basketball Season Sees Slow Start, 8–11 Mark

Basketball for Longhorn fans came in two parts — the first half everyone wants to forget, with the second showing signs of life. Part 1 provided only three wins in nine starts while part 2 showed a record of five wins and five losses. While the first win of the year came in the second outing of the season over Bourgade, East had to wait until the seventh game to find the victory column again. Hapless Bourgade was the victim again.

Coach Royce Youree's cagers found AA competition too much in the early season losing three away games to AA opponents. Peoria and Gerard afforded the Longhorn a two game win streak at mid-season but before the Steers defeated each for the second time, they had dropped four straight to AA and A squads. A third win over Bourgade and an upset over Phoenix Christian highlighted the Longhorn's fast finish.

West, Salpointe Punish East In 'AA' Openers

East's Class AA basketball debut ended in defeat against West High, 50-75, as Jim Younger and Mike Schucker led East in scoring with nine points each. East defeated Bourgade, 81-44. Mike Zimmerman led with 17 points, followed by Younger with 12. Starting slowly against Salpointe, the Longhorns were unable to overtake the Lancers, losing 47-68. Zimmerman and Schucker led scoring.

Mike Bowling and the Agua Fria Owls overwelmed the Longhorns, 67-40, and scrappy Saguaro High dumped Coach Youree's five, 42-36. Zimmerman scored 8 points while Larry Adams hit for 6. In their third attempt against an AA school, the Longhorns were edged by the Maryvale Panthers, 69-59. Zimmerman reached his season in netting with 24 points and 14 rebounds.

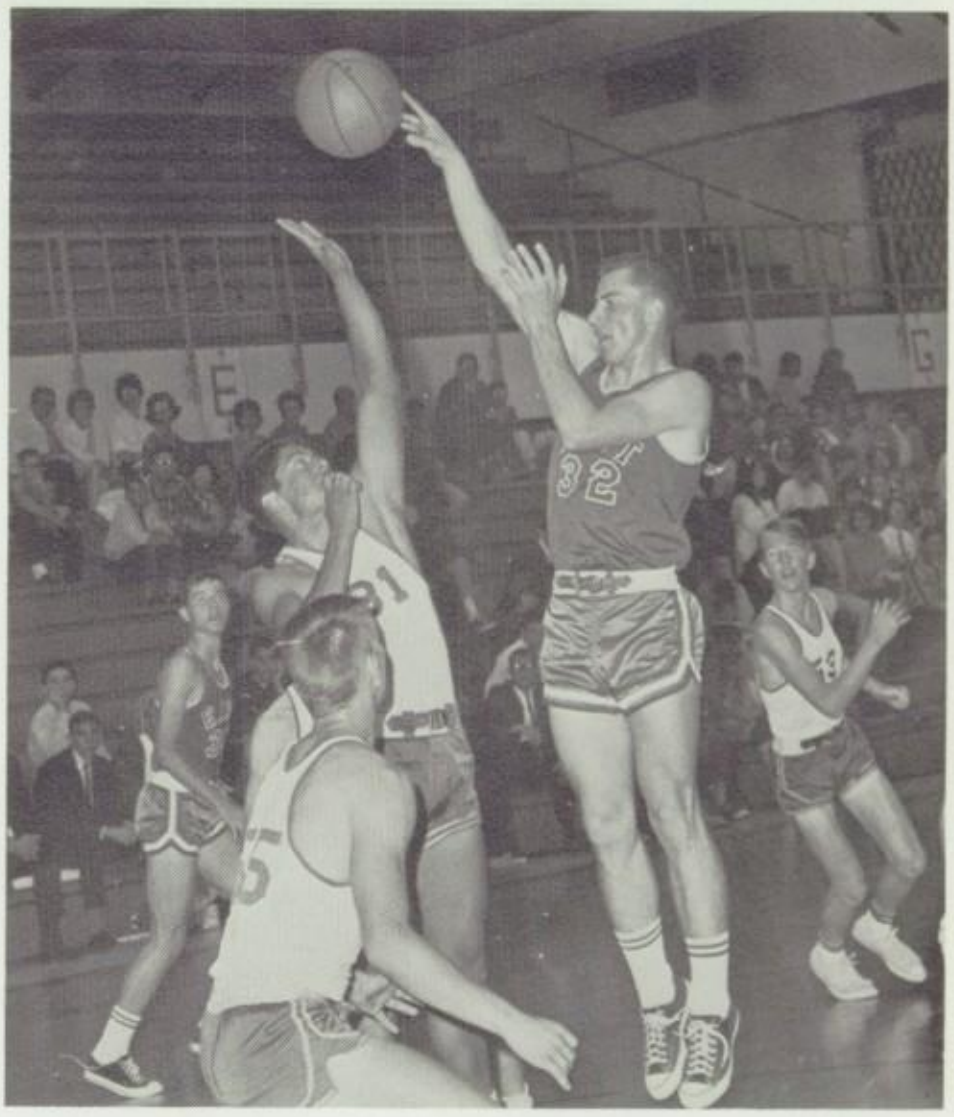
'Horns Down Bourgade, Gerard, Chargers Win

East High hosted its own Christmas Invitational cage tournament in late December with McClintock, Gerard, and Bourgade joining the Longhorns in the single elimination championship. Bourgade fell victim to East in the opening round, 80-53, while McClintock surged past Gerard. In the finals, the Chargers from Tempe picked up their first round ball win over the Longhorns, 65-64, but hat to do it with a pair of free throws after the final whistle.

Traveling to Peoria, Coach Youree's crew squeeked by the Panthers 50-45 in their first game in 1967, and followed with a 53-43 lacing of Gerard at the St. Mary's High Gym. Zimmerman pumped in 12 points followed by Younger's 10 as the Steers kept their hex on their 44th Street rivals. Continuing their long road trip, East had its two-game win-streak broken by Phoenix Christian in a tight 61-57 loss. Four Longhorns hit for double figures against the Cougars.



Ken Ragsdell leaps high into the air for a two pointer against Bourgade at Alhambra's Gym.

Longest Winning Streak Ends With Three Games

Point production fell to an all time low in the repeat meeting with Saguaro's Sabercats as the Scottsdale club scored a 48-28 win over East's Longhorns. Ed Hall managed eight points and Ken Ragsdell hit for six to provide half of East's scoring. While Agua Fria scored a 66-55 win over the Steers in their second meeting, This seemed to be the turning point for the 'Horns as they were in the ball game until the last two minutes. Three players hit for double figures.

Buckeye's speedy Hawks staved off a last quarter drive by the Steers to squeak in with a 67-64 victory. Schucker, Hall and Zimmerman were high for East. The longest win streak of the season opened with a 73-55 win over Peoria in the Longhorn's best played game of the year. Gerard went tumbling next to the tune of 61-48 and Bourgade fell for the third time 80-56.

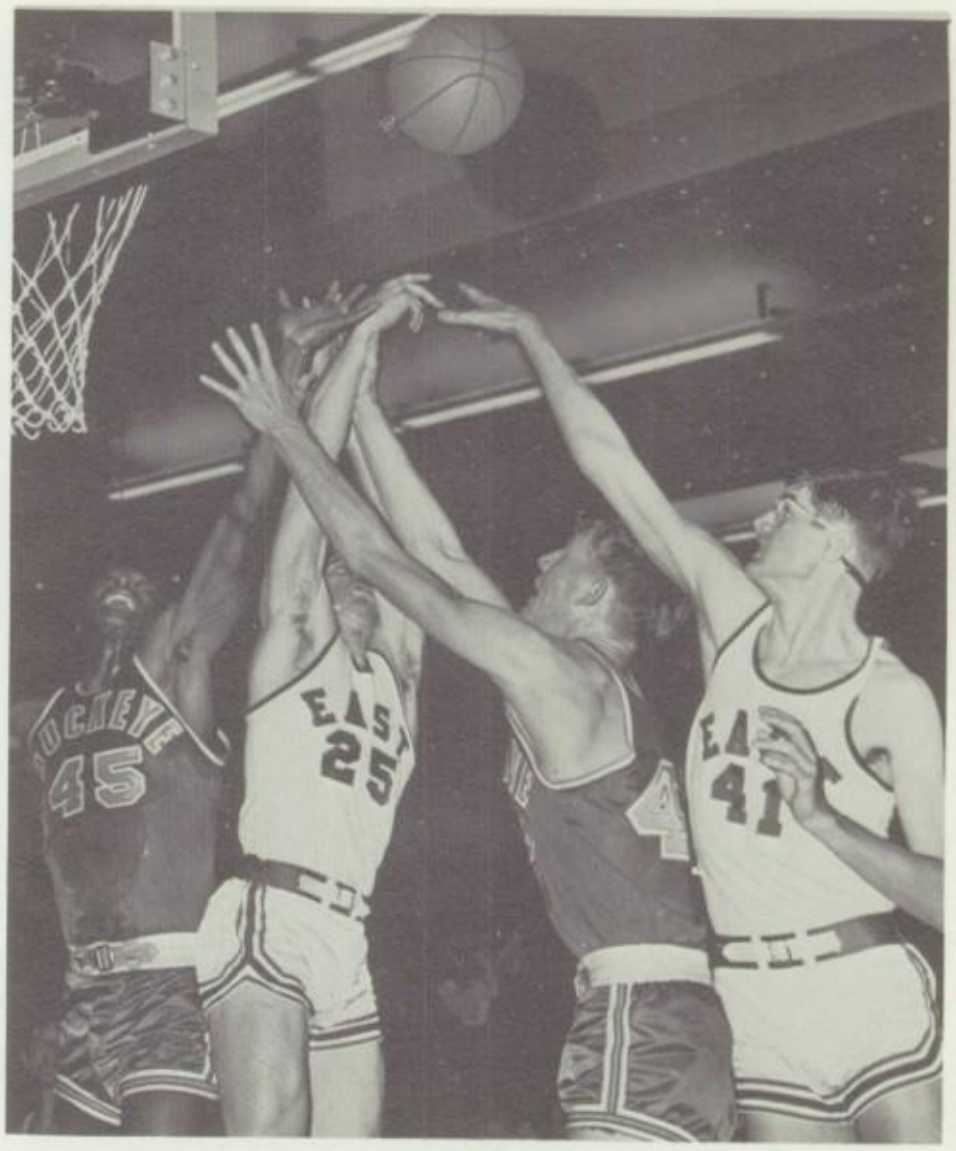
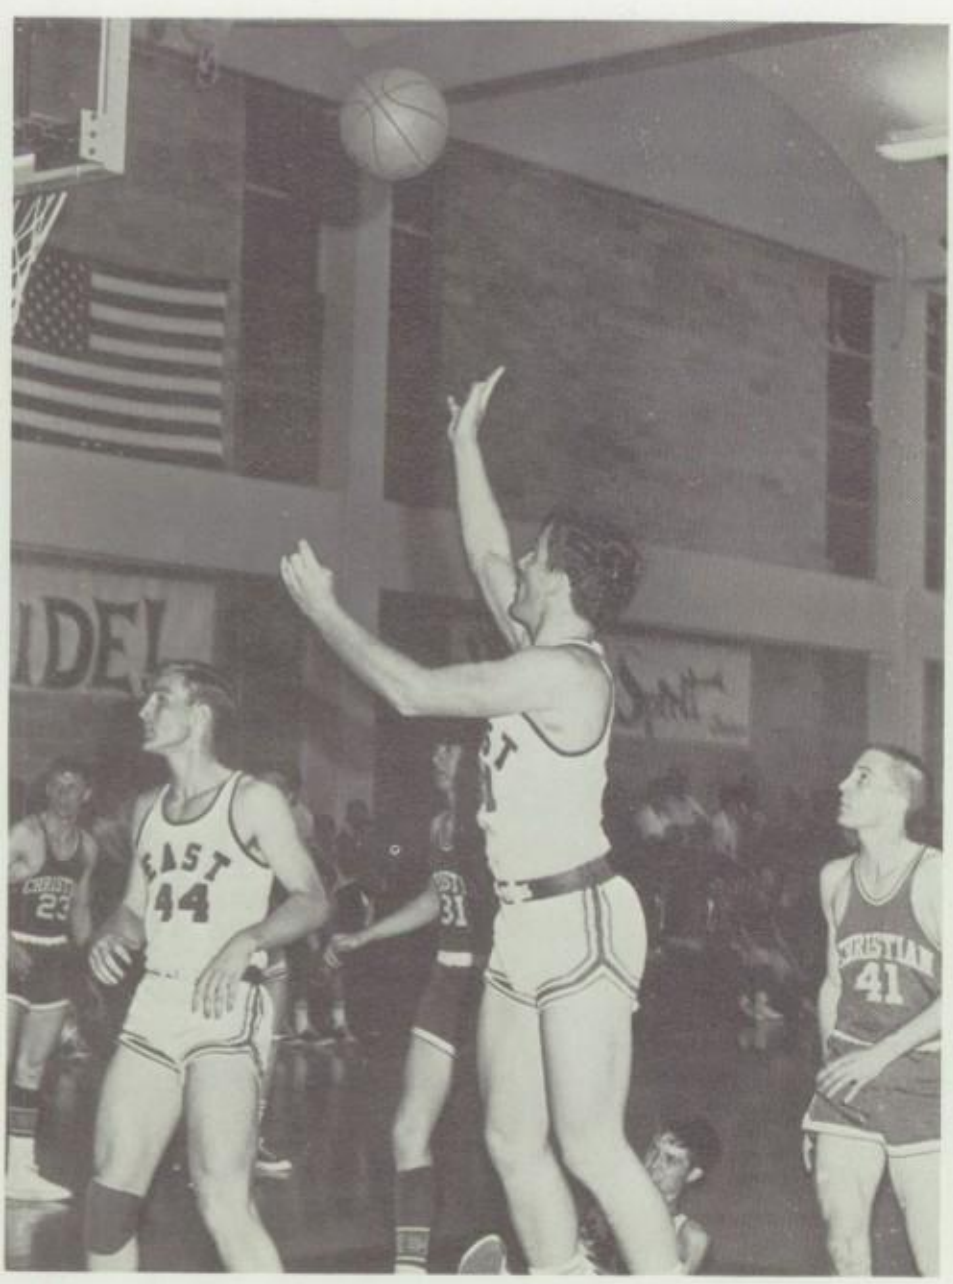
Zimmerman Sets Rebound Mark At 12.9 Average

Chandler High ended the winning streak at three games with a 67-54 pummeling at Chandler. Leading by 13 at the end of three quarters, the Longhorns fell apart under a press and never recovered. In the season finale, the Longhorns swarmed all over Phoenix Christian, 58-43. Leading the revenge victory — the first under East's new victory flag — was Hall with 15 points and Zimmerman with 14.

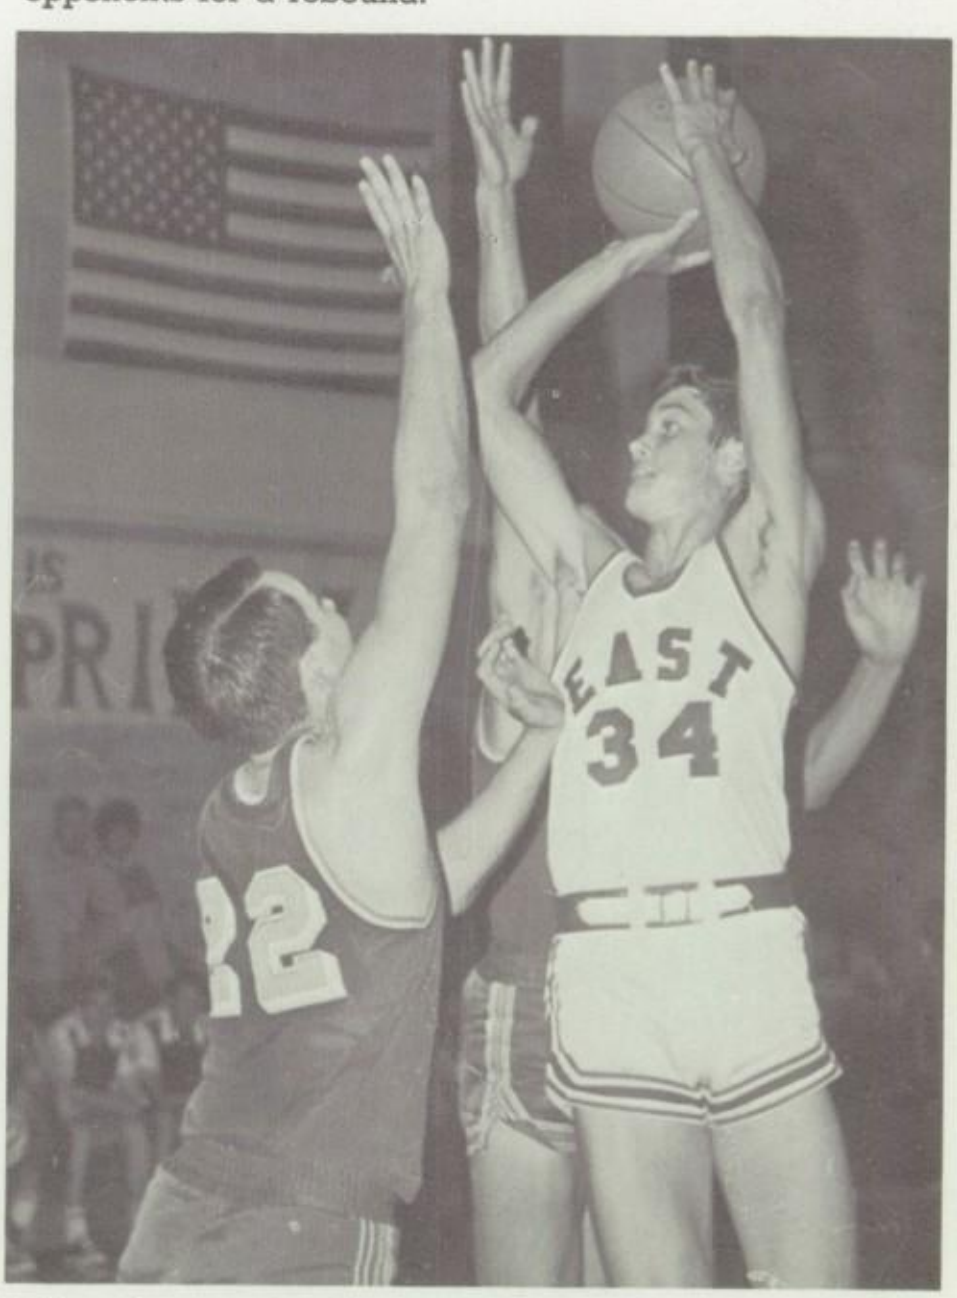
Mike Zimmerman led the Longhorns in nearly every statistical column for the 1966-67 season. The lanky junior cager picked up a 14.1 point average for the 19 game season to lead all scorers and established a new rebounding marks pulling down 247 rebounds off the boards for a 12.9 average. Both are school records.



Eddie Hall and George Poteet out-jump their Buckeye opponents for a rebound.



Chronister breaks away from his opponents and fires the ball towards the basket.



Although out-jumped by his foes, Mike Schucker attempts a shot over two Gerard Redcoats.

JVs Post Best Record With 12 Cage Victories

Junior Varsity basketball provided the best win — loss record for the year racking up 12 wins against only five defeats. The powerpacked jayvees looked as if they might fizzle after the first three games as they boasted only one win against two losses, but from there on it was winning streaks of two, three, and five in a row. Four of the five losses came against AA schools.

Soph Sizemore Sparkles In Cross Country Runs

Success was not a familiar word on the tongue of Derryl Franz, head coach of the varsity cross country team, as the young Longhorn squad met defeat five out of eight times. The season Tom Sizemores' tireless legs carried him across the finish line placing second out of 150 runners in the Novice Division at the Thunderbird Invitational Meet. Sizemore also set East High's course record with a time of 10:09 for the 2.1 miles on the Papago Park paths.

Vermillion, Bixler Lead Varsity Wrestling Team

East High's varsity wrestling team competed in an 'AA' schedule during the 1966-67 campaign compiling only two wins against nine losses and one tie. The Longhorn grapplers, led by Paul Bixler and Tom Vermillion overwhelmed Chandler 33-11 and edged Saguaro 22-18 for their two victories and gained a 26-26 tie with Phoenix Union.

Bixler captained the squad and ran up a 10 win, two loss record to rank as one of the best in his weight class in Arizona. East's independent classification overall kept him from competing in the state tournament. Vermillion, who pinned six of his last seven victims, finished the year with an 8-3-1 record.

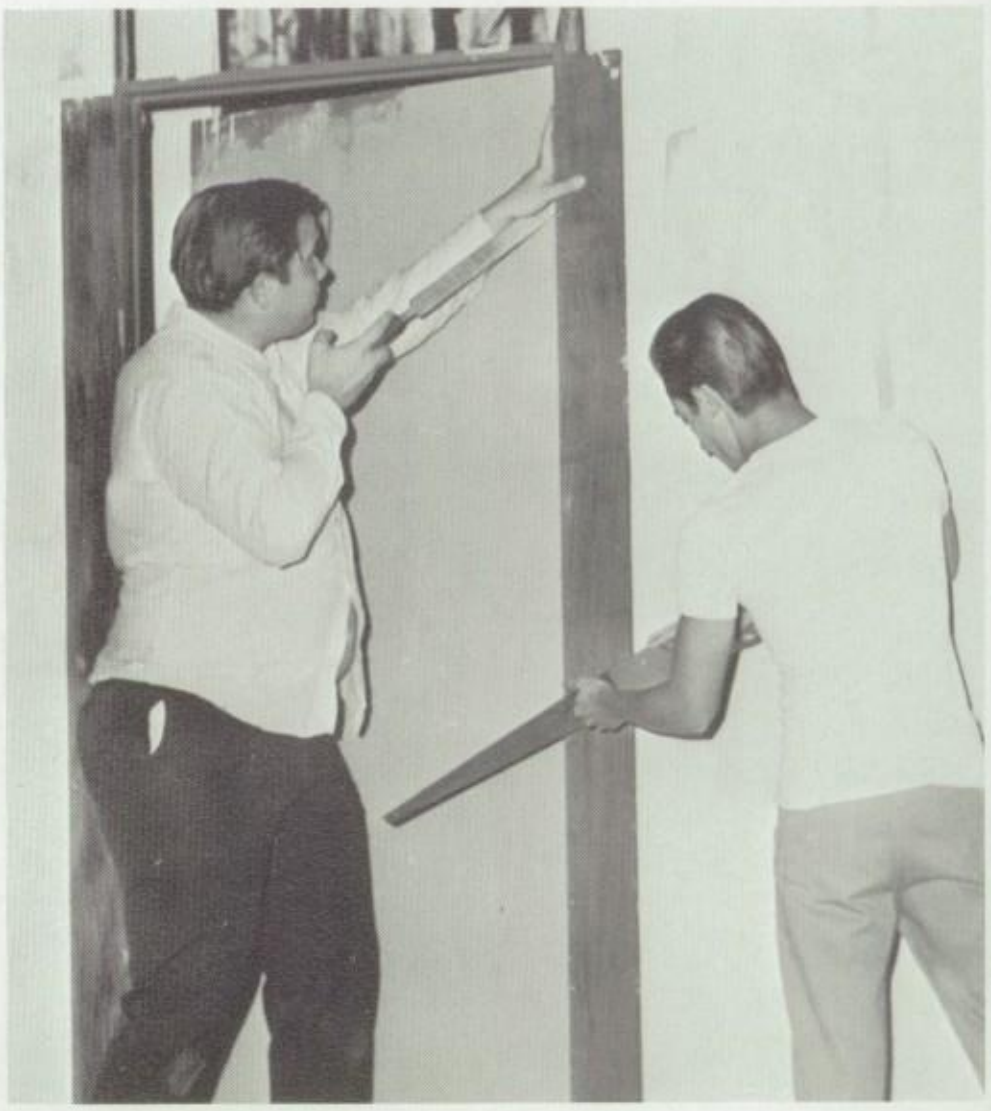
Masque & Gavel Stages Two All-School Shows

MASQUE AND GAVEL, sponsored by Mrs. Marge Jones, is the official speech and drama club on campus. The club sponsors both the speech teams and produces several plays. The 1966-67 school year found M&G sponsoring the all-school plays, "You Can't Take It With You", a riotous comedy, and "Web of Murder", a comedy mystery. Each performance drew great crowds.

Thespians is also a part of the Masque and Gavel program. This national organization for which local M&G members work for membership is actually a club within a club with acceptance based on building work points. Officers for the 1966-67 school year were: ROBERT VALENCIA, general manager; MARCELLA MEIER, Business Manager, ELSIE FERNANDEZ, secretary; RICHARD MORGAN, sergeant at arms; and GLORIA HARRIS, historian.



Members of the club spend many an after school hour building and striking sets for stage productions.

A project to "Cage the Cougars" was carried out by members of the new Pep Club on campus. Nancy Bertino, Jean King and Debbie Steinhauser build the cages.

Newly Formed Pep Club Inspired Student Spirit

THE PEP CLUB was the most newly formed club at East this last year. It started out as just a small gathering of girls to figure out a way to promote school spirit, but after the discovery that it would take more than just a handful of girls to really do the job right . . . Pep Club was re-organized with the purpose of promoting strong school spirit throughout the year.

Letters were distributed to students throughout the school inviting them to join the newly-formed club. With its foundation set, Pep Club started its way to becoming the most active club on campus. Officers for the school year 1966-1967 were: President, WENDY WONG; Vice President, JEAN KING; Secretary, SUE WENTZ; Treasurer, NANCY BERTINO; Historian, VAL BROWN.

The spirit of fun and competition pervaded the G.A.A. activity schedule for the 1966-67 school year.

Fitness, Fun Combined In G.A.A. Activities

GIRLS ATHLETIC ASSOCIATION members promote a better and more widespread interest in the physical activities offered at East High. The club also aids to further a spirit of fair play. G.A.A. offers the facilities of East High's physical education department for many play days they sponsor during the year.

During the warmer parts of the year, G.A.A.'s squeezie sales were heartily welcomed. The club also sponsored the Ping Pong Toss at the Wranglers' Carnival. Mr. Bostrom, can we squeeze the freshman class pictures onto two pages.

These and similar cries could be heard coming from the Legend office at almost any time of the day or night.

During the past fourteen months, there were times when the 1967 Legend seemed to be an impossibility. But now, after many long hours and a few disappointments, the Legend has become a reality. Now, that the finished product is in our hands, all we can say is that it was worth the effort.

We would like to thank all those who have helped in the production of the 1967 edition. The Legend could never have been completed if it were not for the effort put forth by the staff. Thanks to seniors Mabyn Bates, Pam Compton, and Ruth Stevenson who have served on the yearbook for the last time. Good luck to John Fiore, Nancy Bertino, Jean King, LeAnn Hagen, Mary Freeman, Debbie Steinhauser, Wendy Wong, Susan White, Nancy Hinchcliffe, Val Brown, Cindy Beer, Selma Hyman, Gayle Wong, Debby Scarlett, Sharon Fiske, Bonnie Hauprich, and Sherl Reed who will produce the 1968 Legend. We would also like to thank the photographers who have done an excellent job on the many difficult assignments given them. They are Jim Mooney, Todd Holtz, and Don Hogue.

We would like to extend special thanks to Mr. Bostrom. He has been a tremendous help and has given us that often necessary extra push. Because of his guidance, we feel that the '67 Legend is one East will be proud of.

To all the Longhorns, we hope that we have captured for you on these few pages all of those many memories of this 1966-67 school year which helped to make it so great.
